Dear Neighbor,

**The 11th Annual Sully Shuffle**, a 5K run and 3K walk, is scheduled to take place Sunday, September 25, 2022. The Sully Shuffle namesake was a lifelong Oak Lawn resident and retired Oak Lawn Community High School teacher, Skip Sullivan. During his tenure at OLCCHS, he served as the Assistant Girls and Boys Basketball, Football, Golf and Head Varsity Baseball Coach. Sully gallantly fought Parkinson's disease for over 20 years before he passed away in November of 2021.

Sully's family was overwhelmed with the outpouring of love and support received in the days, weeks and months after his passing, and it's obvious his positive attitude and eternal optimism continues to inspire many. With that in mind, we are having *one final shuffle* in Sully's honor! Our hope is to fund a scholarship in his name at OLCCHS while also continuing our support of the *American Parkinson Disease Association Midwest Chapter*. We are proud to have donated \$231,000 to their efforts to fund PD research and will maintain that partnership while also creating a scholarship for high school seniors who emulate Sully's positive attitude throughout their four years of high school.

We are grateful for the support and dedication from our community and the commitment of our participants. The generosity shown by our community in the past has been overwhelming. In the hope of another successful event, we are again seeking donations and supplies to help hold down our costs. Please see the enclosed sponsorship form for more information. The logos of all the business donors are seen throughout the route and at the after party. Your contribution to the Sully Shuffle is truly appreciated.
