

Dear Friends,

I would like to thank all of you for supporting the 2nd Annual Sully Shuffle today. I feel honored and privileged to have this event taking place in my name. Having all of you here today only strengthens my determination to fight Parkinson's and work for a cure. I'm optimistic that a cure is not too far away. Every dollar you helped raise today will be used for Parkinson's research.

Once again, from the bottom of my heart, I thank you for your support and generosity.

Sincerely,

Skip Sullivan
